Michael Letts, Northern Michigan University

Edward Roeber, MI Assessment Consortium

What is the MAC...

Michigan Assessment Consortium is a professional association of educators who believe quality education depends on accurate, balanced, meaningful assessment. MAC members work to advance assessment literacy and advocate for assessment education and excellence

Mission of the MAC

- The mission of the Michigan Assessment Consortium is to improve student learning and achievement through a system of coherent curriculum, balanced assessment and effective instruction. We do this by collaboratively...
 - Promoting assessment knowledge and practice.
 - Providing professional development.
 - Producing and sharing assessment tools and products.

MAC members ...

- are individuals and organizations interested in quality assessment practices
- work in public and private schools, local and regional districts, government agencies, professional associations, and institutes of higher learning
- embrace high standards of excellence
- understand that quality assessment is key to quality learning and student achievement
- value professional learning and continuous improvement

MAC Resources

- To access the resources of the MAC, visit the following webpage:
www.michiganassessmentconsortium.org
- Resources include Common Assessment Development modules, white papers on assessment and other topics, access to a variety of archived videoconferences, and other material

Benefits of MAC membership...

Access to...

- A rich library of assessment resources
- Invitations to assessment professional learning opportunities
- Video conferences and digitized content designed to enhance assessment literacy
- An emerging catalogue of model, curriculum-embedded performance assessments
