**MEMBERSHIP**

The MAC is a professional association of members who believe quality education depends on accurate, meaningful assessment that supports learning first, and verifies learning second. When educators use assessment to guide teaching and enhance learning, students learn more.

Michigan Assessment Consortium promotes excellence in assessment knowledge and practice. Its members enjoy access to a rich library of assessment resources, including assessment literacy standards, a suite of student performance assessments for arts education, publications on assessment best practice, presentations and a growing video library. Members also have opportunities for professional learning through special events, participation in field tests and pilots and access to new online learning opportunities, launching in 2018.

**Membership Benefits**

- An expanding collection of publications and videos, custom-produced by the MAC.
- Advocacy for quality assessment practices in Michigan
- E-News and website that connect educators interested in quality assessment practices across the state, as well as innovative practices across the nation
- An increasing number of high quality sample assessments, reflective of Michigan curriculum.
- A growing resource library that explains how educators can demonstrate their effectiveness using student performance data
- Access to professional development events, tools and resources.

**MAC Members**

Are individuals and organizations interested in quality assessment practice and systems.

- Work in public and private schools, local and regional districts, government agencies, professional associations, and institutes of higher learning.
- Embrace high standards of excellence.
- Understand that quality assessment is key to quality learning and student achievement.
- Value professional learning and continuous improvement.

**Quality assessment practices and systems are an issue of equity.**

**MAC Governance:**  
Founded in 2008 as an unincorporated statewide directorship, this grassroots consortium incorporated in 2011 and was awarded non-profit status in 2013. A statewide board of volunteer directors continues to guide the organization.
